END USER LICENSE AGREEMENT (EULA)

LICENSE TERMS AND CONDITIONS

Revised 08 February 2019

BY USING THIS SOFTWARE YOU AGREE TO THE TERMS AND CONDITIONS LISTED BELOW. This EULA supersedes all earlier EULAs.

1. Definitions. Products are preconfigured to ship with a Non-Transferable Single User License. This permits the purchaser to install the software on FOUR computers (two stationary and two portable) for use by a single user working from a single physical address. Duplication, sharing, multiple installations, and/or electronic transmissions of any content are in violation of United States and International conventions copyright.

2. Restrictions on Transfer. You shall not sell, rent, lease, sublicense, assign, transfer, network, reproduce, or timeshare the System, Program, Documentation, or Your rights, duties, or obligations under this Agreement, nor cause or permit any third party to do the same. Further, any such sublicense, assignment, or other transfer of any of Your rights, duties, or obligations hereunder is void ab initio.

3. License. In consideration of the payment of a license fee and remaining an active subscriber to BestInspectors.Net's mailing lists, Management Science International Incorporated dba BestInspectors.Net hereby grants to YOU a nonexclusive license to load and display any and all portions of this copy of the System, Program and Documentation on FOUR properly configured computers (two stationary and two portable) and to use this copy of the System, Program, and Documentation in accordance with the terms of this Agreement. The System, Program and Documentation may be displayed and used only by YOU. You may load, display, and use this copy of the System, Program and Documentation on a computer other than the computer on which the System, Program and Documentation were originally installed. However, at no time shall any portion of the System, Program or Documentation be installed on more than FOUR computers without the express written permission of Management Science International, Inc. You may make a single archive copy of the Program and Documentation, provided however, that no portion of such archive copy shall be operated at any time. You make store a single copy of each Master PDF on a Cloud based server for YOUR exclusive use and you may store multiple unflattened copies of work in progress (WIP) on the same Cloud Based server provided the WIP and Master are under a single account and ONLY YOU can access those files. All rights not expressly granted in this Agreement are hereby reserved by Management Science International, Inc. Under no circumstances will Management Science International, Inc. issue refunds of license fees.

4. Restrictions on Your Use. Your use of the System, Program, and Documentation shall, in all cases, be restricted as follows: (i) You shall use the System, Program, and Documentation only by a single user and

only for YOUR inspection business, and You shall take all reasonable steps to protect the System, Program, and Documentation from any copying and/or use;

(ii) except for the initial loading of the System, Program and Documentation, or for archival purposes as provided for elsewhere herein, You shall not, without Management Science International Incorporated's prior express written consent (a) reproduce or otherwise copy, or cause or permit the reproduction or copying of, the System, Program, or Documentation in any way, shape or form, or (b) modify the System, Program, or Documentation, and/or merge them with any another software;

(iii) at no time shall the Program or Documentation reside on, or be used in conjunction with, any system or device capable of permitting or facilitating remote display, remote viewing, and/or remote use, of the System, Program or Documentation;

(iv) in no event shall You make, or attempt to or permit the making of, any improvements, modifications, or amendments to the System, Program, and/or Documentation;

(v) You may not disassemble the Program or Documentation into smaller parts or learning objects, and You may not copy the System, Program or Documentation to any media, disk drive, network server, CD-Rom, or other machine-readable media, for distribution. Notwithstanding anything to the contrary herein, You shall not, nor shall You aid or permit any third party to, modify, reverse engineer, reproduce, decompile or disassemble the Program, or otherwise attempt to create the source code from the Program;

(vi) You shall not modify, adapt, or create derivative works based on the System, Program, or Documentation;

(vii) You shall not use, nor cause or permit to be used, the System, Program, or Documentation in any manner that infringes Management Science International, Inc.'s rights or the rights of any third party;

(viii) You shall not distribute, nor cause or permit to be distributed, the System, Program, or Documentation, or derivatives thereof; and

(viv) You shall not electronically transfer the System, Program, or Documentation through a local area network, wide area network, or any other computer network system, or through any computer subscriber system, bulletin-board system, or other system of comparable functionality.

6. Jurisdiction and Disputes. This Agreement shall be governed by the laws of the State of Michigan. All disputes concerning this Agreement shall be resolved in the applicable state or federal courts of the State of Michigan. The Parties hereto consent to the jurisdiction of such courts, agree to accept service of process by mail, and waive any jurisdictional or venue defenses otherwise available.

7. Management Science International, Inc. reserves the right to modify or amend this End User License Agreement at any time.

8. Integration. This Agreement and the accompanying on-disk License(s) collectively constitute the entire understanding of the Parties hereto with regard to the matters contemplated hereby, and is intended as a final expression of Parties' Agreement. This Agreement shall not be modified or amended except in writing signed by the Parties and specifically referring to this Agreement. This Agreement shall take precedence over any other documents that may be in conflict therewith. If, for any reason, any provision of this Agreement is found to be unenforceable, such provision shall be deemed to prohibit such activity to the extent it is found to be enforceable and other provisions of this Agreement shall be unaffected to the extent permitted by law.

9. Reports created by the software may only be distributed printed on paper, as a PDF file or as a Microsoft Excel file that is properly exported from the program and does not contain any VBA code, XML code, or Javascript. Under no circumstances may reports created by the Software be distributed in any electronic or computer based format other than PDF or XPS.

10. Any violation of the terms and conditions of this EULA shall be cause for the immediate revocation of the license.
